

75 Years HATC

HOTEL ASSOCIATION *of* TARRANT COUNTY

Hello my friends!

As we come to the end of the 75th Anniversary of our Association I want to thank each of you for your support as an HATC Member. I've enjoyed working with you as the current President in this celebratory year! We have celebrated this anniversary all year long but also accomplished many goals over the year to keep you in the know and represented on the local level.

This month we are very fortunate to have Scott Joslove, President and CEO of the Texas Hotel and Lodging Association, give us an update on the results of the recent Texas Legislative sessions. Our Associations have kept busy making sure the lodging industry was represented on several key pieces of legislation this year. To date Scott and the THLA team remain undefeated in their efforts to make sure our industry comes out on top on any bill that may negatively impact our industry. Great Job! Scott's recap on September 10 will shed light on the thousands of dollars of impact THLA representation has had on both direct and indirect savings. The annual THLA & HATC dues are very worthwhile expenses for every hotel in Tarrant County, so please join or renew as soon as you can.

We recently completed our Reverse Tradeshow and appreciate every hotel manager that came out to show their support. We have to continuously thank our Sponsors and Allied Members by using their services whenever possible. They are to thank for our ability to award scholarships, sponsor a student chapter at the University of North Texas, have great networking receptions and luncheons, and host fantastic events like the golf tournament and casino night. We have a wide variety of sponsors who are eager to earn your business and, in my experience, because they are members, they stand behind their work and do a great job. The next time you have a need for any service at your hotel, please call our Executive Director, Julie Faver-Dylla, to get the names of our sponsors and Allied Members. If you have a good service provider that is not a member, please call Julie so that she can approach them and encourage them make the valuable investment of membership in the Hotel Association of Tarrant County.

Lastly, please make plans now to attend the annual Casino Night presented by Massey Services on Saturday, November 7 at the Hilton DFW Lakes. Our theme this year is the Big Top - a Circus Themed event. It should be one of the best events of the year so we hope many members and friends can attend. See you there!

Sincerely,

Nancy Sorrells
